ACT I

INT. SMITH HOME - KITCHEN - DAY

Rick stumbles in, drunk.

RICK
Morty, where are you?

Rick sees Beth sitting at the kitchen table, slurping tea. He pauses and listens for anyone.

RICK (CONT'D)
Beth, where is everyone?

BETH
They're gone, Dad.

RICK
Gone, gone where?

Rick sees the look in Beth's eye.

RICK (CONT'D)
Trap, this is a trap!

Rick turns to leave.

BETH
Dad, please set down.

Rick grimaces, then sits.

RICK
What did you offer the family to go...wherever they went?

BETH
Mall gift cards.

RICK
Those weak willed bastards.

Beth stands up and walks towards Rick, staring him down.

RICK (CONT'D)
Beth, what are you doing?

BETH
We're going to talk about why you never bring me on your adventures.

RICK
No we're not Beth.

Rick tries to leave, but Beth grabs his shoulders.

RICK (CONT'D)
What are you doing, let go of me!

BETH
I'm going to cry. And you're going
to watch until you break.

Rick tries to push away Beth's arms, but they won't budge.

RICK
Holy Christ how are you so strong?

BETH
Iron Arms 3 Workout Video...Bitch!

Beth's lower lip trembles, and she starts to cry.

RICK
What the shit, Beth, how can you
cry on cue like that?!

Beth breaks down into hysterical sobs, tears flowing.

BETH
I..just..want..to go on a trip--
with you.

RICK
This isn't going to work Beth. I'm
a genius. My thought process goes
behind simple emotions.

Beth's tears stop, but she stares at Rick. Her pupils dilate making her eyes look enormous.

BETH
Don't you love me Daddy?

Beat.

RICK
Dammit.

Beth lets go.

BETH
Good, so let's go talk about which
dimension we're going to.

INT. MALL PARKING LOT - CONTINUOUS

Jerry drives Summer and Morty, looking for parking.

JERRY

Heyyy kids, you guys excited to get some one on one dad time?

SUMMER

We're here for the gift cards, Dad.

She looks out the window.

SUMMER (CONT'D)

Cindy looks like such a slut.

We see CINDY, a classmate of Summer, scantily clad.

MORTY

Where?

SUMMER

Morty, gross, that's my friend!

JERRY

Come on now kids don't you worry about that floozie--oh my god the skirt only covers half her ass--

SUMMER

DAD!

JERRY

Right. Look you two I have a little bit of a surprise cooked up.

Jerry pulls out a picture from his pocket, showing Summer and Morty as kids hanging off their Dad in a mall ball pit.

JERRY (CONT'D)

Who says you can't re-live the past, right?

MORTY

You can't live in the past Dad. That's the saying.

JERRY

No Morty I think you're wrong there-

SUMMER

No. Morty is right. You're wrong.

JERRY
 Hey I thought my little princess
 was on my side?

SUMMER
 I'm not listening anymore.

JERRY
 Summer I'm your *father*.

SUMMER
 (under her breath)
 So you keep telling me.

JERRY
 What did you say?

SUMMER
 Nothing.

MORTY
 She said so you keep telling her.

JERRY
 Summer!

SUMMER
 What?

Jerry can't summon the authority, looking again at the photo.

JERRY
 Let's just park and get to the ball
 pit.

MORTY
 Dad that's for kids, why would we
 go there?

JERRY
 Because we're going to recreate a
 magical moment from your childhood.

Jerry slows, about to turn in for a spot. Summer sees MIKE
 BARNES, the football captain - and her crush, meet Cindy.

SUMMER
 What the *fuck* is Mike doing meeting
 Cindy? I told her I liked him.

JERRY
 Language!

SUMMER

Come on Morty we're going.

MORTY

Going where? I thought Dad said--

Summer pulls Morty out of the car in pursuit of them.

JERRY

Hey, come back here!

The door hangs ajar, dinging. Jerry glowers, bangs the wheel.

JERRY (CONT'D)

I'm the one in charge here!!

Beat. No one sees his outburst. He closes the door, then looks at himself in the rear view mirror.

JERRY (CONT'D)

(forced laugh/to himself)

Take it easy, they'll come around.
You never know *what* can happen.

INT. SMITH HOME - RICK'S GARAGE - CONTINUOUS

Rick and Beth scroll through a screen of destinations.

RICK

This is Samberra Prime, home of the city in the clouds.

BETH

Too Star Wars.

Quick shot of skyscrapers in the sky.

RICK

Not a mining town, but moving on.
How about Panderus, home to the exotic Va'Ni, who psychokinetically link to the planetary ecosystem?

BETH

No green aliens for me.

RICK

Racist? Xenophobic at least..

Beth starts flitting through all the snapshots.

BETH

No. No. No.

RICK

Ohhh Beth, reconsider the Zanex system, the atmosphere is laced with heroine. And their whores. They do things you can't imagine.

BETH

Maybe next time.

Beth powers through, and spots an image of a unicorn.

BETH (CONT'D)

What was that?

Rick tries to take over the display again.

RICK

Nothing.

Rick tries to get the remote, but Beth resists and lands on the profile for Unicorn Planet.

BETH

Unicorn Planet?

RICK

Yea, the Rick that discovered it couldn't think of a better name. Which is ridiculous because ten come to mind right away--

BETH

We have to go.

RICK

Oh no, you see umm--

Rick stalls.

RICK (CONT'D)

There are no more unicorns. They were all killed for their horns, which actually do make penises bigger. And erect. It's sold as Bigger Harder Penis Unicorn Horn Dust. Hah. Perfect.

BETH

Well how do you know? They might have missed one!

Beth looks for Rick's portal gun.

RICK
Nope. All dead.

BETH
How can you be sure?

RICK
It's the only planet in any
universe with unicorns. People
noticed. And their commercials made
Sarah MacLachlan look like a frigid
bitch. Anyway I scanned the planet.

Beth finds Rick's portal gun and holds it up, triumphant. She looks at the destination settings for Unicorn Planet.

RICK (CONT'D)
Beth you don't know what you're
doing.

BETH
Dad just because my kids and
husband are idiots doesn't mean I
am. Aaand done.

Beth creates the inter-dimensional portal.

RICK
Beth I can't advise strongly enough
that this is a bad idea.

BETH
You can tell me about it on UNICORN
PLANET!

Beth creates the portal and pulls Rick in.

EXT. UNICORN PLANET - CONTINUOUS

Twin suns set on the horizon, and a gigantic moon (five times as big as ours) rises out of the darkness. A large silver treed forest sits on the edge of a flat plain. In the distance green waterfalls rush over cliffs for miles.

BETH
(over her shoulder)
What were you saying before?

Beth heads out into the wilderness. Rick looks around them, nervous.

RICK
How do I put this? *If* on some
impossible chance that we do see a
unicorn, you won't want to leave.

Beth nears the trees.

BETH
Well not right away, for goodness
sake it's a unicorn Dad!

They enter the forest, Beth expecting a unicorn any second.

BETH (CONT'D)
Ugh, where are they?

RICK
(under his breath)
Didn't I just say they were
extinct?

BETH
(loud)
What's that Dad? Aren't you happy
we get to spend time together?

RICK
You're not understanding me. You
won't ever want to leave.

Beth sees a clump of bushes, and heads towards it.

BETH
That's ridiculous, I will too!

RICK
Trust me, you won't!

They're almost by the bushes.

BETH
Why do you say that?

Beth stops and turns, but Rick looks away, then pulls out a
small machine from his pocket, fiddling.

RICK
Need to fix those glubberators.

BETH

(stern)

Dad, you're acting as though I've been here before, didn't want to leave, and you erased my memory of it. Which is crazy, right?

Rick avoids eye contact.

BETH (CONT'D)

RIGHT?

Beat.

RICK

Absolutely. I would never erase your memory.

BETH

Then what?

RICK

Simulation. I played out an incredibly accurate simulation where you went to Unicorn Planet and didn't want to leave. Ok?

BETH

That's a very--

Beth leers at Rick, uncertain. Just then a flock of tiny pegasuses flies out of the bush, shitting out a rainbow.

RICK

Wow, that was unexpected. Now is that enough time together? Because there's no unicorns here so let's go back.

BETH

We just got here!

Beth turns around and looks for one. Rick looks to the right and sees in a clearing: a BABY UNICORN. It has light blue hooves and hair, with a white-blond mane and golden horn.

RICK

(under his breath)

Shit.

INT. MALL - CONTINUOUS

Summer and Morty trail behind Mike and Cindy. Cindy looks back, and Summer pushes Morty to the ground, hiding behind a sunglasses kiosk.

MORTY

Summer, ow why'd you do that?

SUMMER

Shut up Morty I'm thinking.

A smarmy SALESWOMAN approaches Summer.

SALESWOMAN

You want these Ray Bans? Super sexy, make you top class bitch.

MORTY

Hey, you can't call my sister a bitch!

SALESWOMAN

Does the bitch's bitch want glasses too?

(to Morty)

Here, try Oakley's. They hide your bitch face.

Morty struggles under Summer's foot.

MORTY

I'm not a bitch!!

SALESWOMAN

(to Summer)

Your bitch very well trained.

SUMMER

(off hand)

Thanks he's my brother.

SALESWOMAN

I too do not see why we must obey society's rules. Thank you for letting me know there is another brother-lover out there.

MORTY

(registers this statement)

Ugh, no that's disgusting. Summer tell her we aren't--ahhh!!

SUMMER

That's it! Come on bitch we've got work to do.

Summer picks Morty up and drags him away.

SALESMAN

Goodbye my bitches!

INT. MALL - BALL PIT - CONTINUOUS

Jerry approaches the bustling ball pit. Little kids run around screaming as Jerry sits, alone. He looks at the photo.

JERRY

(miming Morty)
Come on Dad. Come play!
(as himself)
Here I come son!
(as Summer)
You're the best Dad in the whole world!
(as himself)
I love you guys!

Jerry chokes up and starts crying a bit. An attractive middle aged woman, JADE, sits down next to him.

JADE

Hello there. You doing alright?

Jerry sees her concerned face.

JERRY

Oh, you know, just reliving some old memories.

Jade sees the photo.

JADE

Very cute.

JERRY

I just wish I still had them.

Jade starts.

JADE

Oh, I see, I had no idea. That must be very hard.

Jade puts a sympathetic hand on Jerry's leg. He looks at it, misinterpreting it as a come-on.

JERRY
You have no idea.

Jerry gives her an awkward smile. She doesn't notice.

JERRY (CONT'D)
Do you have kids?

Jade smiles and points at a little blond girl and brown-haired boy. Summer and Morty doppelgängers.

JADE
Those are mine.

JERRY
What I wouldn't do to get them
back.

Jerry looks longingly at the kids. Jade looks back at Jerry, and misinterprets his gaze for something nefarious. She withdraws her hand.

JADE
So what are you doing here again?

JERRY
(trying to be smooth)
Oh, you never know *what* might
happen. I'm just waiting to snatch
at any opportunity that presents
itself.

Jade pulls back further from Jerry. She catches the eye of mall security and nods him over. Jerry sits watching the kids, then turns back to Jade.

JERRY (CONT'D)
So, about how old are those two?

EXT. UNICORN PLANET - CONTINUOUS

Rick points Beth the other way.

RICK
You go that way, I'll go this way.
Spread more ground and whatever..

Beth heads off and Rick goes for the unicorn. It is visibly smiling. But when it moves we see it has a deformed leg.

RICK (CONT'D)
Hey, come on you little horned
bastard.

Rick takes a laser-gun out of his pocket and holds it towards the baby unicorn, who approaches out of curiosity.

BETH (O.S.)
Dad, any luck?

The unicorn is inches away and ZAP. Rick shoots and its skin melts off in seconds, leaving only the bones and horn. Rick smells the air.

RICK
(under his breath)
Gingerbread. Delicious.
(to Beth)
Beth over here!!

Beth runs over.

BETH
What is it? Ah!

Beth covers her mouth when she sees the bones.

RICK
It looks, looks like it was a baby.
Been dead for decades at least.
Well honey I'm sorry to say this is
all that's left of unicorns.

Beth bends down and touches the horn.

BETH
Why does it smell like cookies?

RICK
I sprayed some air freshener.

BETH
You carry air-

Beth sees something moving in the trees. An adult UNICORN. With white hair, purple hooves and mane, and a golden horn, it glides soundlessly out of the forest towards Beth.

RICK
Son of a bitch.

Beth is transfixed, reverting to a childlike naivete.

BETH
Eep.

RICK
Beth, be careful. Unicorns are notorious for being giant retarded assholes.

BETH
He's magical!

RICK
This is the only planet with unicorns, for who knows how long. The only way they've survived is through centuries, millennia, of inbreeding.

BETH
Shut your goddamn mouth!

Rick backs off as Beth approaches the majestic looking unicorn. Rick looks at the back of Beth's head, and we see a blinking red light.

RICK
(muttered)
Aaand she's overloaded the implant.

Rick reaches towards Beth's head, looking to press a clearly labeled OFF button. Just as he's close, the Unicorn's face goes slack-jawed and lazy-eyed, and it charges forward, impaling Rick through the heart.

BETH
OH MY GOD!!!

RICK
HOLY SHIT-BALLS!

The unicorn shakes Rick back and forth twice before sending him flying.

BETH
Dad!

Rick hits the ground and the Unicorn steps away.

RICK
Ughhhhh. Wabbalubba---You know what. I told you. I told you Beth. Retarded assholes.

Rick bleeds out. The Unicorn takes a shit. And eats it.

END OF ACT I

ACT II**EXT. UNICORN PLANET - CONTINUOUS**

Rick writhes in the throes of death.

RICK
Fucking...unicorns.

BETH
Oh my god oh my god oh my god. Dad
what do I?

RICK
Oh this? Yea I'm fine.

BETH
Really?

RICK
No! My heart's been impaled. I'm
going to die in a few minutes.

BETH
No, there must be something I can
do.

Rick goes into shock, spitting up blood.

RICK
Yes, yes you can do. Unicorn..You
unicorn.

BETH
I'm your unicorn?

RICK
It's heart..unicorn heart..

Beth tears up.

BETH
I have the heart of a unicorn? Dad
that's so swe--

Rick snaps out of it.

RICK
No you dumb bitch you need to kill
that unicorn and give me its heart.

BETH
What?!

Rick's head lolls back.

RICK
I'm sorry, 'bout what I said.
You're not dumb..

BETH
Dad what are you talking about?

RICK
Every unicorn heart is a perfect
donor for humans. Unicorns are
great for penis enlargement...and
heart transplants. You're a horse
heart surgeon Beth, you're the only
one that can save me...

Beth looks at her father, then over to the unicorn.

BETH
But Dad, this could be the last
Unicorn in the universe--

RICK
(bloody cough)
In every universe!

BETH
I don't think I can.

RICK
Beth, don't you want to keep me
around a little longer? Think of
all the time we could spend
together..

Beth mulls the decision. Beat.

BETH
I'll do it.

RICK
There's a good girl. And--

Rick looks down - his pants are swelling with a massive
erection.

BETH
Oh my god what the hell is that?

RICK
Horn particulates must have gotten
into my bloodstream, giving me
this...side effect.

BETH
Do something about it!

Rick looks around.

RICK
Like what? Now go kill that horned
piece of shit and rip its heart
out! We'll worry about my erection
later.

Beth looks around.

BETH
How do I kill it? Do you have like
a ray-gun that kills it without any
pain?

RICK
Why do I care about it's pain? I
have a hole in my chest. And no I
don't have a *painless killing ray-*
gun. Just use that rock.

Rick nods towards a rock the size of a baseball.

BETH
What?

RICK
The rock, use the rock!!

Beth picks up the rock and looks at the unicorn. It's face
reverts to normal as it turns and stares at her in the light
of the setting sun.

IMAGINED UNICORN VOICE
Aren't I magical Beth?

Beth nods and comes within inches of the unicorn.

BETH
Uh huh.

RICK
Talking to herself already. Do it
Beth, kill it. KILL IT!

Beth cries and snot comes out of her nose. She raises the
rock over the unicorn's head, closes her eyes, and swings her
arm down--

INT. MALL - CONTINUOUS

Summer pulls Morty by the ear.

SUMMER

Listen up Morty you're finally going to be worth something.

MORTY

What are you talking about Summer?! Why, why do you care so much about Mike being with Cindy!?

SUMMER

Whatever happens next, just go with it.

MORTY

Summer. I--I don't like this.

They close in on Mike and Cindy. They are standing alone by the railing, deep in conversation.

MORTY (CONT'D)

Let go of my arm Summer!

SUMMER

Shut up and be your awkward self.

MORTY

Hey I'm--I'm not--

SUMMER

Perfect.

Summer shoves Morty towards Mike. Morty trips and his face goes into Mike's crotch. Mike yelps and doubles over as Morty clings to him trying not to eat the railing.

SUMMER (CONT'D)

(yelled)

Oh my god Morty what are you doing!!

Morty and Mike collapse in a heap.

MORTY

What?

CINDY

What's wrong with your stupid brother, Summer?

SUMMER

Morty, you said you wouldn't
confront Mike until later.

CINDY

Confront him about what? Mike what
is she talking about?

Mike is nonplussed.

SUMMER

Isn't it obvious?

They all look at Summer. It isn't obvious. Beat.

SUMMER (CONT'D)

(rushed)

Morty is confronting Mike about
being with you because they've been
having an illicit gay affair.

MORTY

That's--that's a lie!

SUMMER

Mike is ashamed because of societal
expectations and because Morty is
so unpopular. Morty promised me he
wouldn't do anything crazy.

Cindy turns on Mike.

CINDY

Mike what is she talking about?

Mike is too slow on the uptake to answer.

SUMMER

See? He can't answer cause it's
true.

CINDY

But you said you liked him, that's
the only reason I wanted him.

SUMMER

I said that because I knew he was
with Morty. I just didn't expect
you to be such a bitch.

Cindy processes all this, not emotionally mature enough to
grasp reality.

CINDY

Mike you're such an asshole!

Cindy runs off. Mike looks at her go, then chases after her.

MIKE

Wait!

Summer smiles, victorious.

MORTY

Summer, how, how could you say that?! Everyone at school is going to think I'm gay!

SUMMER

Yea, but look who you were gay with. The captain of the football team. You should be thanking me.

Summer walks away. Morty registers her statement.

MORTY

That's insane!

SUMMER

(over her shoulder)
I'm walking away Morty.

INT. MALL BALL PIT - CONTINUOUS

Jerry sits talking with Jade. The mall cop approaches in slow motion. A little kid gets in his way. He knocks her over.

JERRY

You know, it's funny. I sometimes wish I could just take my kids, get in the car, and go on a drive.

JADE

Uh huh.

Her little girl starts to come over but Jade waves her off.

JERRY

And then we could get in the ball pit again and play. Me just tossing them around, working up a sweat, and being a Dad. Just rolling around in balls, *as it were*.

Jerry takes a last glance at the photo.

JADE
 Alright kids it's time to go.
 (to mall cop)
 Get over here!

Jerry panics.

JERRY
 Wait, is it something I said?

JADE
 No, um, I just really need to go.

Jade's kids laugh mischievously and jump into the ball pit.

JADE (CONT'D)
 Get out of there right this
 instant!

JERRY
 Not to worry, I can help.

Jerry runs towards the ball pit, and in a flash sees his kids standing there calling for him. The mall cop sprints forward.

FAUX-MORTY (IN JERRY'S HEAD)
 Come on Dad!

FAUX-SUMMER (IN JERRY'S HEAD)
 You're the best!

Jerry smiles and in slow motion springs for a jump.

JERRY
 I'm coming!!

Jade blanches, horrified. The mall cop is only steps away.

JADE
 Get that kidnapping rapist away
 from my kids!!

Jerry turns back.

JERRY
 What?

The mall cop tackles Jerry into the ball pit, but rolls over him with the force.

JERRY (CONT'D)
 Help! Help me!

The mall cop tries to get his bearings.

JADE
He's trying to murder them!

The kids start throwing plastic balls at Jerry.

JADE (CONT'D)
Get him kids, pelt the kid-killer!

JERRY
I'm not a kid-killer--

Jerry struggles to get out, but falls. The kids jump on him. Jerry tries to get up but can't find purchase. In an inverted pose of his photo, the kids hold his arms and push his head under. They bring him up, then both hit him in the eyes.

EXT. UNICORN PLANET - CONTINUOUS

Beth hits the Unicorn's eye, crushing it. The unicorn runs away but its leg falls into a hole and breaks in half. It's crippled.

BETH
Oh my god.

RICK
This isn't a convenient stereotype Beth. Because it's a unicorn. Now kill that...that impaling piece of shit.

The unicorn lies prostrate, and Beth walks up and hits its head. Over and over. She slowly gets covered in blood. The unicorn won't die because the rock is so small. The unicorn's purple tongue hangs out.

BETH
I'm sorry, I'm so sorry!

The unicorn starts to cry. It sounds like a baby.

BETH (CONT'D)
Why does it sound like a baby!?

RICK
I don't know, I've never heard what noise a unicorn makes as it's being beaten to death. Chalk it up to cosmic irony.

Beth hesitates.

BETH
I don't know if I can do this.

RICK
What else are you going to do?
Leave a half dead unicorn to suffer
as your father dies, while you
could end his suffering and stop
mine?

BETH
He's crying!

Beth looks at the unicorn. It's staring at her.

IMAGINED UNICORN VOICE
What did I do?

BETH
You didn't do anything.

RICK
Don't listen Beth. Just finish it
off. Quick or I'll die!!

Beth raises her arm. She hits it. Its eyes flicker. Beth keeps going as it wails like a (literal) baby. Crystal tears fall out of its eye. Beth closes her eyes and speeds up.

BETH
Ahhhh!!

RICK
Beth--

Beth keeps beating pile of bloody pulp. The unicorn is clearly dead but she doesn't stop.

RICK (CONT'D)
Beth! Open your eyes, it's dead!!

Beth stops. She looks at the unicorn and it's dangling golden horn. She rests her hand on it.

BETH
What have I done?

RICK
The heart, get the heart..

Rick passes out. Beth reaches out to him.

BETH
Dad!!

She looks around and finds a longer thinner rock. She hacks away at the unicorn's chest, breaks through the ribs, and pries them open to find just a set of lungs.

BETH (CONT'D)
Where is it?

Rick coughs awake.

RICK
Whoah, what a kick. Nothing like a
rush of DMT.

BETH
Dad, there's no heart!

Rick looks over at the splayed open unicorn.

RICK
That's cause--
(in pain)
It's in...the ass.

BETH
(flat)
What?

RICK
Unicorn hearts...are in the ass.
All you have to do is reach in
there and pull it out.

BETH
How could you know that?

RICK
No time. I'm a genius..

Beth looks at the unicorn's anus. She looks at her dying father, who hacks up more blood. She kneels by the ass, and slides her hand up.

BETH
Ahhh how did this happen?

RICK
You're..you're the one who wanted
to go on an adventure sweetheart.

Beth goes up to her elbow.

BETH
I can't feel it.

RICK
Deeper.

BETH
No-

RICK
DEEPER!

Beth jams her arm up to the shoulder.

BETH
I've got it. Now what?

RICK
Pull.

Beth pulls out her shit covered arm holding a golden unicorn heart, similar in shape to a human's. She runs over to Rick. He still has the bulge in his pants.

BETH
(off the bulge)
Ewww.
(to Rick)
Dad, I don't have the tools for
this.

Rick pulls out a small device.

RICK
Here, use this, you can open my
chest cavity with this laser gun.
It emits a natural anaesthetic too,
so I won't feel any pain.

Beth stares at Rick. Beat.

RICK (CONT'D)
You said ray gun Beth. You should
be more conscientious of your
wording.

Rick passes out again. Beth grabs the laser and shoots it at Rick's chest, opening the cavity. She detaches Rick's heart from the arteries with the laser gun, then replaces it with the unicorn heart and closes the wounds. Nothing happens.

BETH
Dad?

She shakes him. Still nothing.

BETH (CONT'D)
Dad, tell me what to do!

A fly lands on Rick's glassy eye. His erection fades.

BETH (CONT'D)
(afraid)
Dad? No!

Beat. Then - in Rick's chest the unicorn heart grafts itself to Rick and starts pumping. Rick's death erection comes back full force, and he does a kip to his feet.

RICK
Whoa! This is one fine unicorn
heart!!

Beth collapses in relief. Rick looks at her, covered in blood, the mutilated unicorn behind her.

BETH
I killed the last unicorn. *Ever.*

Beth sobs lightly. Rick looks at the carcass.

RICK
Wow, that's something you'll never
forget.

Beth doesn't answer. She's shaking. Rick kneels by her.

RICK (CONT'D)
I know it was hard, Beth. But you
saved my life. And I'm proud of
you. You know what? Even though I
got stabbed by a Unicorn and almost
died, I'm glad we came out here.

Beth looks at Rick.

RICK (CONT'D)
Together.

Rick smiles, and she gives the faintest smile back. Rick looks down at his pants, to the dead unicorn, and his pants. He goes to the Unicorn, pulls out its horn, and guides Beth through a portal home.

We fly over the forest to see: a herd of deformed unicorns. A three legged one falls over the side of a cliff. We hear the baby cry death rattle as one unicorn impales another.

INT. MALL PARKING GARAGE - LATER

Summer and Morty lean on the car. Morty's arms are crossed. The mall cop escorts a double black eyed Jerry in handcuffs.

SUMMER

Dad what's going on? We've been waiting here for like, hours.

MORTY

It's been maybe fifteen minutes..

The mall cop takes off the cuffs.

MALL COP

Millenniacorp would like to inform you that you are banned forever from Millennium Mall.

MORTY

Dad, what is he talking about?

MALL COP

Without sufficient evidence we can't press charges at this time. You got lucky you kid-*raping*, kid-*napping*, kid-*murdering* piece of shit.

The mall cop spits on Jerry's face, then leaves.

SUMMER

Dad-

JERRY

Not a word. Now get in the car.

MORTY

But dad-

Jerry reels on them.

JERRY

(seething)
Do as I say.

The kids shut up, then climb into the backseat.

INT. MALL PARKING GARAGE - CAR - CONTINUOUS

Jerry drives, tapping the wheel.

JERRY

So, did you kids have a good time?

MORTY

Dad Summer threw me into Mike and said we were having a gay affair! I can't believe you Summer. Rick does the same thing. He uses me - I hate it!

SUMMER

Dad I don't have any idea what he's talking about.

MORTY

Don't lie. Dad you need to do something--

JERRY

SHUT THE HELL UP!!

Shocked silence. Beat. Jerry pulls out the tattered photo.

JERRY (CONT'D)

You see this? This was one of my favorite memories with you two, and I as the *crazy* loving father had the *crazy* idea of trying to recreate this moment. And then I got accused of trying to kidnap, rape, and murder children.

SUMMER

That's-

JERRY

I'm not finished. You guys don't want to hang out with me, that's fine. But when your mother and I are gone you'll be all each other has. So start getting along.

Summer looks at Morty, who is angry but sharing the same sentiment.

JERRY (CONT'D)

Start getting along now!

SUMMER

Jeez Dad. Morty, I'm sorry for using you cause I was mad at Mike.

Morty isn't buying it.

JERRY

I know you're mad Morty. But can you be mad at your sister for needing you?

Morty breaks.

MORTY

That's ok Summer. Can you believe Cindy knew I was your younger brother?

SUMMER

Ugh you're such a dweeb.

JERRY

There. See? That wasn't so hard. Now hug it out.

Summer and Morty hug. Over Summer's shoulder Morty sees the sunglasses Saleswoman getting in her car. She winks at him.

MORTY

Wait, no!

INT. SMITH HOME - RICK'S GARAGE - LATER

Rick and Beth walk through the portal. Beth takes slow breaths, still covered in blood. Rick grabs a tool from his desk and touches the red light on the back of Beth's head. She goes unconscious while standing up.

RICK

Ok, let's recalibrate this thing.

Rick grabs a soldering gun and goes to work on a neural interface in Beth's brain.

RICK (CONT'D)

We don't need her to get this kind of impulse again. So I'll disconnect the synapse to the neuron with the memory of her killing the unicorn. So I'm technically not erasing it.

(to Beth)

See that Beth? I'm not *erasing* any memories. Really got to watch your wording around me.

Rick finishes. The red light turns green, then disappears.

RICK (CONT'D)
Damn, I really wanted to never let
her live that down.

Rick closes the interface, then bops Beth in the back of the head. She wakes up.

BETH
Ahh, what happened?

RICK
Beth I'm, I'm so sorry but one of
my experiments exploded. That's why
you're covered in blood right now.

BETH
What- how?

RICK
Don't worry about it. I think I
hear everyone getting home. Let's
go ask them about their day.

INT. SMITH HOME - LIVING ROOM - CONTINUOUS

Jerry, Summer, and Morty walk in and sit on the couch. Rick and the still bloody Beth come in and sit on the chair.

JERRY
Oh my god, Beth, what happened to
you?

RICK
One of my experiments exploded and
threw blood on her.

JERRY
What kind of experiments are you
doing dealing with blood?

RICK
The important thing is that Beth
and I spent some quality time
together. Right Beth?

Rick looks at Beth, but she's still too dazed. Rick sees Jerry's face.

RICK (CONT'D)
Whoa, what happened to your eyes,
did some kid beat your ass?

Rick looks down.

RICK (CONT'D)

Wow. It's too perfect. You're such a pushover that you got owned by a kid. Ha! Did you guys see it?

Summer and Morty share a glance.

SUMMER

No, we just hung out. It was cool.

BETH

What time is it?

Beth raises her arm towards her nose and sniffs.

BETH (CONT'D)

And why do I smell like shit?

Rick looks at the camera.

RICK

Wubba Wubba! How am I going to explain that?
